DECEMBER HR Considerations for 2021

2020 was a rollercoaster for employers and Human Resources departments as a result of the COVID-19 pandemic. Heading into 2021 there are many issues both immediate and well into the future that will be impacted by the pandemic. However, traditional Human Resources initiatives and strategies are still just as important as they have ever been. This webinar will address both pandemic-related concerns heading into the New Year as well as more traditional initiatives that HR departments should be considering moving forward.
