Happy New Year! 2020 HR Resolutions

January is a popular time for resolutions, not only for individuals, but also for businesses. It is a chance to analyze what worked, what didn't work and what needs to happen in the new year to help take your organization to the next level. This webinar will not only discuss Human Resource resolutions that will help improve your HR functions internally but also give practical tips to help prevent litigation and increase overall compliance with new laws and regulations.
