In Review: The Impact of COVID-19 on Group Health Plan Administration

The COVID-19 public health emergency has resulted in a variety of new rules and legislation that directly impact group health plans and the obligations of plan sponsors and administrators. This webinar will provide a consolidated review of both the temporary and long-term requirements applicable to health plans of all sizes, and will equip employer-sponsors with tools to successfully navigate these administrative challenges.

The Nuanced FMLA: Unique Issues Facing Employers

The FMLA is one of the most complicated and difficult employee programs to administer for human resources professionals. There are many ways to make technical administrative errors that can create liability for an organization. This webinar is intended to provide an overview of some of the more discreet areas of the FMLA that can cause problems for employers and highlight best practices to avoid liability.
