Our goal is to bring timely Human Resources and Employee Benefits Compliance topics that provide valuable information and recommendations to our clients.
All Webinars begin promptly at 2pm EST. Please click on the Icons to register.

APRIL 20, 2023

Medical Marijuana Current Status

In recent years, employers around the country have been faced with increasing legislation regarding medical and recreational marijuana use. This rise in legislation impacts employers in numerous areas of their business, including, but not limited to, hiring, firing, discipline, worker's compensation and discrimination. This webinar will explore a general overview of these issues and will provide employers with strategies and best practices to keep their organization compliant during these changing times.

Managing Leaves of Absence in Group Health Plans

This webinar will focus on the administration of employee benefits during employee leaves of absence. We'll discuss the various types of leaves of absence, including leaves required under federal and state law and those offered under an employer's internal policies. We'll look at some common challenges employers face in administering benefits during these leaves and offer practical tips to keep you compliant.

Webinar Presenter: Colleen Gole
