OCTOBER 19, 2023

## Termination Compliance Considerations for Today's Workplace

Employee terminations remain one of the most difficult aspects of Human Resources to administer due to the numerous compliance, safety and administrative concerns they can create. This webinar will provide employers with an understanding of potential termination pitfalls with the goal of creating well-conceived termination plans to minimize risk in the handling of in-person and remote employee terminations in a post-COVID world.

NOVEMBER 16, 2023

## End-of-Year Compliance Wrap-Up for Group Health Plans

As we near the close of the year, this webinar will offer employer-sponsors an opportunity to review remaining group health plan compliance obligations – some old and some new. We will provide insight and tips on ACA reporting, W-2 reporting of healthcare coverage and other benefits-related items, completing the gag clause prohibition attestation, and more.
